

## Fortune Brands Named to Newsweek's America's Most Responsible Companies 2024 List

**DEERFIELD, III** – December 14, 2023 – Fortune Brands Innovations, Inc. (NYSE: FBIN or “Fortune Brands” or the “Company”), an industry-leading home, security and commercial building products company, today announced that it has been named to Newsweek’s list of America’s Most Responsible Companies 2024. This marks the fifth consecutive year the Company has been recognized on the list.

“Fortune Brands is proud to once again be listed on Newsweek’s America’s Most Responsible Companies list. While we have always been committed to operating responsibly, our product portfolio now has even more positive environmental and social impacts than ever before, thanks to our water and energy saving products from Moen and Therma-Tru, composite decking from Fiberon,

Master Lock safety solutions and our growing ecosystem of connected products from Moen, Yale, August and Master Lock,” said Fortune Brands Chief Executive Officer Nicholas Fink. “Plus, under our aligned structure, we have greater ability to deploy talent and key capabilities across the enterprise to continue to improve our ESG practices. Our team is innovating with leading brands and making the world smarter, safer, and more sustainable.”

Fortune Brands ranked in the top quartile of the Consumer Goods category, and in the top 20 percent of ranked companies overall.

This prestigious award is presented by Newsweek and Statista Inc., the world-leading statistics portal and industry ranking provider. The awards list was announced on December 6th, 2023, and can currently be viewed on [Newsweek’s website](#). America’s Most Responsible Companies ranking focuses on a holistic view of corporate responsibility that considers all three pillars of ESG: Environment, Social, and Corporate Governance. The analysis is based on KPI research and a public survey. The final list recognizes the top 600 most responsible companies in the United States, spanning 14 industries.
